FEES ON ADMEASUREMENT OF DEDUCTED SPACES OF VESSELS, AND FOR MARINE DOCUMENTS.

1895.
Department Circular No. 68.
Bureau of Navigation.

Treasury Department,

Washington, D. C., April 5, 1895.

To Collectors of Customs and Others:

I. Collectors of Customs may charge, under section 1 of the Act of June 19, 1886, fees as follows for admeasuring deducted spaces of American vessels, as provided for by the Act of August 5, 1882, and the amendatory Act of March 2, 1895, when the admeasurement is actually and necessarily made, and the circumstances are such as to require the deduction in the case of the particular vessel concerned:

Crew space	$1.00	Chart house	$0.25
Master's cabin	.25	Storage of sails	.25
Steering gear	.25	Donkey engine and boiler	.25
Anchor gear	.25	Propelling power (including boilers and machinery space and shaft trunk or alley space)	1.50
Boatswain's stores	.25		

If more than one of the spaces enumerated are included in one poop or closed-in space above the upper or spar deck, but one fee can be charged for all the spaces so included.

Fees levied on the admeasurement of the deducted spaces of vessels not affected by section 1, of the Act of June 19, 1886, will be according to the above scale.

II. In view of the abolition of bonds on the documenting of vessels, the fees to be charged by collectors in their accounts of services to American vessels, for marine documents, upon the seacoast, Gulf, and Western rivers, are:

License, and granting the same, to a vessel of not over 20 tons	$0.25	If over 100 tons	$1.00
If above 20 tons and not over 100 tons	.50	Certificate of registry or record, including oath	2.00
		Certificate of enrollment	.50

The fees for granting enrollments and licenses upon the Northern, Northeastern, and Northwestern frontiers are not affected by the abolition of bonds, and will remain as heretofore.

S. WIKE,
Assistant Secretary.
